

Craft Aid International is extremely grateful for all the help and support it has received this year from groups and individual supporters alike. You make us what we are!

We couldn't do any of the work we do without your generous support, so thank you for playing a vital role in enabling all these stories of transformation to happen.

There is still so much un-met need however, in the UK and all over the developing world, that we have the experience and the expertise to address but not the capacity. If you would like to help us reach many more people with disabilities living in poverty and social isolation, here's how you can help:

- By making a donation, as a one off or regularly
- Holding a fundraising event
- Buying the crafts or hold a jewellery party or stall
- Attending an event (see our website for upcoming dates)
- Volunteering

Being a small Harrogate-based charity we have very low overheads, but a huge vision to transform the lives of differently-able people, many of whom are amongst the poorest of the poor in our world. Thank you for helping us to make this vision a reality.

Susie Hart MBE, Founder & Director
